Welcome to The Riverhouse at Goodspeed Station

Nestled on a secluded ridge atop the banks of the Connecticut River, our all-new, state-of-the-art, very private banquet, conference and catering center promises you a world-class experience unmatched anywhere.

Overlooking the Goodspeed Opera House and the historic East Haddam Swing Bridge – The Riverhouse provides the environment, the menu, the up-scale services, the grand experience your guests will long remember.

Let it say more than words can express.

Your team has planned the big event at every level, assuring attendees that their precious time and resources will be spent wisely. Your guests will leave this meeting remembering far more than the business presentations and the speeches.

They'll remember the setting. The ambiance. The refreshments. The service. The acoustics. The technology. The lighting. The privacy.

Meet with our people just once to walk through this exceptional facility – and to talk through your upcoming corporate event.

You'll know the difference.
